

Dear NRHEG Elementary Families,  
Greetings! My hope is that this message finds you all healthy. We are now well into the fourth quarter and we are thankful that we've been able to maintain our *In-Person* learning model even though case rates in our area continue to climb. Thank you for your efforts at home to ensure that your children remain healthy here at school.

This week our school was presented with a \$375.00 donation check from the *Ellendale Community Action Group (ECAG)*, a non-profit organization whose goal is to promote the Ellendale area, its citizens, businesses, students and schools. Through the recent sale of Panther Pride tee shirts, the ECAG donated monies that will go toward scholarships for fifth grade students who will, hopefully, participate in the Fifth Grade Eagle Bluff field trip in October of 2021. This year's fourth grade students will be provided information shortly on creating a design for the 2021-2022 NRHEG Elementary School Panther Pride tee shirt. Stay tuned for more information and the announcement of the new design.
