

Dear NRHEG Elementary Families,

For the past few weeks there has been quite a bit of excitement at the elementary school surrounding the *Gratitude Campaign*.

The elementary school has been honored to kick off the *Gratitude Campaign* this fall. This program has been made possible through a generous donation by the *Finly's Wings at Work* organization. A daily video, activities and conversations make up a large part of the program. It has been exciting to see our *Wall of Gratitude* grow and to learn of the many things that students and staff are grateful for in their lives. I would encourage you to visit the elementary website so that you can view all 13 student created videos. The link is posted below. A special thank you to Brooke Krohn, School Social Worker and Bre Bethke, Family Services Coordinator for their time and leadership in working with our students on this campaign.

Our Wall of Gratitude

November is Diabetes Awareness Month and NRHEG Elementary is Participating!

During the month of November NRHEG Elementary students have participated in diabetes awareness activities and have been bringing in money to support "Change for a Cure." During the week of November 16-20, a Question Box will be outside the office where students may write down questions that they may have about diabetes, and they will then be answered by staff.

On Monday and Tuesday, November 16-17 the students will participate in a *Walk For Diabetes* during their physical education time. On Thursday and Friday, November 19 and 20 students are encouraged to participate in *Crazy Hair Day*, or they may wear a hat or a cap on that day.

MN Reading Corps Scholar Squad

The MN Reading Corps has also made available to families the *Scholar Squad*, a free online support program for PreK-Grade 8 students. Tutoring is available for both reading and math. More information can be found at: <https://www.scholarsquad.org/>
