

NRHEG PUBLIC SCHOOL LEARNING MODEL UPDATE OCTOBER 11, 2021

FULL IN-PERSON LEARNING

Students are allowed to return to the building with a 3-foot social distancing requirement in place whenever possible.

Current model:
Elementary building
Secondary building

MASK REQUIREMENTS

Students and staff required to wear masks during the school day.

POTENTIAL move at the secondary building if positive cases continue to rise.

DISTANCE LEARNING

Students are required to participate in distance learning. Limited in-building learning is allowed.

POTENTIAL move at the secondary building if positive cases continue to rise with staff.

- **NOTE: NO CHANGES taking place at this time.**
- We are seeing an increase in secondary student positive cases. A short-term mask requirement for SECONDARY students may be implemented if positive cases continue to rise.
- We are also seeing an increase in SECONDARY STAFF MEMBER absences due to quarantining or positive cases. Distance learning could potentially be needed for a short amount of time if positive cases continue to rise with staff members.
- Distance learning could be separated to a section, a grade level, or an entire building.
- Elementary cases remain constant (low)
