**Sport/Activities:** Football, Baseball, FCA, S.A. J. T.

**Grade:** Senior

**What do you list most about participating in the activities that you are involved in?** I enjoy being competitive against other people. I also enjoy the bonds that are created through these activities. Meeting people and then seeing them at different events is always a highlight to me.

**What motivates you to do your best?** One thing that motivates me to do my best is the success that comes with it. Working your hardest will definitely show when it comes time to perform.

**Who is your role model and why?** My role models are my parents. They have always taught me to do the right thing no matter what. They have also supported me through everything I do. My coaches are also my role models, because I have learned lots of information through them.

**What advice would you give to other students especially students in elementary and middle school?** My advice to younger kids would be to enjoy everything in the moment. Everyone tells you time goes fast, and it is very true. Always enjoy the little things with your teammates and friends because it will come to an end sooner than you think.

**What makes you a good teammate for the sport/activity that you are involved in?** I am a good teammate because I always push people to be the best that they can. Also, if teammates ever have any questions I will try my best to answer them or figure out how to get them answered.
