What do you like most about participating in the activities that you are involved in? I love to hang out with my friends and get involved in school in any way I can!

What motivates you to do your best? I want to make sure I'm the best version of myself so I don't let my friends and teammates down.

Who is your role model and why? My role model is my older brother, Caden. He was always very involved in school, hard-working, and positive. He has shown me what I want to be.

What advice would you give to other students especially students in elementary and middle school? Try to be involved in as many things as you can because high school goes by so fast!

What makes you a good teammate? I'm always positive and encouraging others to do their best. I love to always have a smile on my face.
