How to Become a Community Education Instructor:

Do you have a special talent or skill to share with others? Every year NRHEG Community Education seeks individuals to hire as independent contractors to instruct our classes (youth or adult). While some of our instructors are professionals, we actively recruit people who have hobbies or expertise in an area, which can be developed into a class or workshop! Currently, we are looking for a co-dance instructor for our Youth Dance Program (serves approx. 65 children per season) located in New Richland or Ellendale for our surrounding communities!

Call Macy at (507) 417-2667, email: mwhiteside@nrheg.k12.mn.us or stop in-person (Monday-Thursday 8:00-3:00pm at the New Richland Secondary School) to learn more about our instructor qualifications and responsibilities.

A Letter from the Superintendent

As we transition into the summer months, I wanted to take a moment to reflect on the incredible progress we've made together throughout the school year and discuss our plans for the upcoming summer break.

First and foremost, I want to express my deepest appreciation to our staff members. Your unwavering commitment to our student's success is truly commendable. Your hard work and resilience have not gone unnoticed, and your passion for education is a constant source of inspiration. It is because of you that our students have thrived this year.

Our school community came together like never before to ensure our students received the quality education they deserve. From implementing innovative teaching strategies to providing essential support services, we've demonstrated our commitment to providing the best education possible for our students.

As we look ahead to the summer months, our focus remains on supporting our students' continued growth and development. The break offers a well-deserved opportunity for rest and relaxation, but it's also a crucial time for exploration and enrichment. That's why we're excited to offer a range of summer programs and activities. These are not just opportunities; they are stepping stones towards a brighter future for our students.

From academic enrichment programs to sports camps, a summer food program, and creative arts workshops, there's something for everyone to enjoy. These opportunities not only help prevent the "summer slide" but also foster a love of learning that extends beyond the classroom.

I encourage our students and families to take advantage of these summer opportunities and maximize the break. Together, we will continue to build a brighter future for our community.

Thank you once again for your ongoing support and dedication. I wish you all a safe, enjoyable, and rejuvenating summer break.

Warm regards,

Michael Meihak

Important Elementary Information

***Elementary Student Conference Days**—September 3, 2024 and September 4, 2024. We are continuously looking for ways to improve our efforts to support communication between our families and our school. Our 1st-5th grade students are still planning one conference per student, and parents and guardians are asked to come to school with their child, at the assigned time to meet with their child/s teacher for an individual conference. Kindergarten families will meet in small groups for a 30-minute conference.

During these scheduled conference times, teachers will have an opportunity to share with both parents and students information about the grade level curriculum, daily classroom schedules, grading, classroom rules, and student expectations. The time with the teacher will be scheduled for 30 minutes on either Tuesday, September 3 or Wednesday, September 4. A portion of the conference will be a personal meeting with the teacher. The other portion of the conference will allow time for the teacher to assess and gauge where each student is at academically. This way, the teacher can plan ways to best support your student on the first day of instruction. During the student time with the teacher, parents and/or guardians will have time to fill out the necessary paperwork, and to speak with our Physical Education, STEAM, and Music teachers.

After the 30-minute conference, students will be dismissed for the day and will return on Thursday, September 5th for their first full day of school (Kindergarten will follow a separate schedule). Conference Days information will be mailed to families August 5th and will be available on the school website nrheg.k12.mn.us.

School Hours for both sites will be from 8:30 am to 3:05 pm. All elementary students are dismissed at 3:05 p.m. The only students that remain at the elementary site from 3:05 pm to 3:20 pm will be the Ellendale-Geneva bus route students. All New Richland-Hartland students and Ellendale students who walk, and those who are picked up by families, will be leaving at 3:05 pm. Students living in town are asked to not arrive at school before 8:00 a.m.

Elementary (Bridges – 5th Grade) Individual Student Pictures will be taken Tuesday, September 10th. Pictures will be taken in the elementary media center. Photo package information and cost will be available on Day One. Picture money envelopes will be sent home with the students in the Thursday Sept 5th. Please complete the information on the envelope and send with your child with money- (exact change or check written out to *Brant Hemingway Photography*). **PLEASE HAVE YOUR CHILD'S PICTURE TAKEN EVEN IF YOU DO NOT PURCHASE A PACKAGE. These pictures are used for our Elementary Memory Book.**

Secured Entrance at NRHEG Elementary (East Entrance Door # 3, on School Street) When arriving to NRHEG Elementary School all parents/visitors are expected to enter the building using the **EAST ENTRANCE**. The office staff will identify you on their camera and unlock the door allowing you to enter the school. **ALL VISITORS MUST REGISTER IN THE OFFICE. YOU WILL THEN RECEIVE A VISITOR'S PASS BEFORE PROCEEDING TO AN EVENT OR CLASSROOM.** This system will be in place from 8:30 a.m.-2:50 p.m. during each school day.

Bus Pick Up/Drop Off Locations in Ellendale To ensure that our students may safely travel to and from school, the district has identified the railroad tracks as a hazardous crossing. Therefore, there will be two pick up points for students living in Ellendale, one on each side of Highway 30.

North Pick Up in Ellendale Location: Southwest corner of 4th Street and 4th Ave. This is the location of the former United Methodist Church. Students are to wait on the sidewalk until the bus arrives.

South Pick Up in Ellendale Location: On the north side of 7th Avenue between 3rd and 4th Streets. This is the parking area for the Bonnerup Funeral Home.

School Drop-Off/Pick-Up ZONE Enter from 8th Avenue (directly behind Al's Body Shop) and drop off/pick up your child at the south end of the sidewalk by Doors #8 & 9. Please exit using the west entrance of the parking lot. In an effort to maintain student safety we are asking parents to use the south location as their pick up and drop off point.

Students are not to be dropped off or picked up in the north parking lot or on the east side of school during the ours of 7:30-8:30 am and 2:45-3:30 pm. Students dropped off will not have access to entering the building until 7:45 am. Families will have the option to use our paid SAC (School Age Care) service that are available, but there is a fee associated with this service**

Important District Information

Title 1 Help Available K-5. Title I is a Federally Funded Program to provide supplemental help to students who need help in the basic skills of reading and/or math. Title I help is available to students in grades K-5 who need extra help in reading and/or math. Two Title 1 teachers and four paraprofessionals assist students with building reading and math skills. Questions? Please contact Sara Ihrke, Title 1 Teacher/Coordinator.

Minnesota Education Credits: Have you heard about the Minnesota K-12 Education Credits? If not, you may be missing out on money you're entitled to. These credits can lower your tax bill, and even mean a larger refund when you file your Minnesota Income Tax return. Two programs to help you pay for school expenses. Minnesota has two programs to help families pay expenses to their child's education: the K-12 education subtraction and the K-12 education credit. The subtraction and credit are both based on the actual expenses you paid during the year to help your dependent child's K-12 education, so keep your original receipts for educational instruction and materials, showing how much you spent. You'll need them in order to receive these credits and subtraction.

What kind of expenses qualify? Most expenses paid for educational instruction or materials used during the normal school day qualify, including: school supplies (pencils, pens, notebooks, folders, etc.), tutoring fees, fees for after school enrichment programs, summer academic camp tuition, music lessons and musical instrumental rental, home computer hardware and educational software, and non-religious textbooks. Public, private, parochial or qualified home school expenses qualify.

For more information and to find out if you are eligible for the subtraction, the credit, or both, check out our website at www.taxes.state.mn.us or call 651-296-3781 or 1-800-652-9094 and order the Minnesota K-12 Education Subtraction and Credit fact sheet.

Important District Special Education Services Information

Minnesota Public Schools are required by law to provide a free, appropriate education to all children with handicaps birth through 22 years of age. As part of our district's commitment to this law, we encourage parents who have questions regarding special needs of their children to contact the Director of Special Education, Geoffery Wagner at 507-835-5046.

"Special Education" is instruction, specific to the child, at no cost to parents, to meet the unique needs of a child with a disability. **It is important to note:** Students with disabilities are general education students first. They receive special education support services in conjunction with the general education curriculum. Special education is an instructional service, **not** a place. Special education services must be reasonably calculated to allow the student to benefit from instruction. If the student is receiving benefit from the special education services, the student will progress at his/her own individual rate. A student who has a disability will always have the disability and would not be expected to progress in all areas at the same rate as his/her regular education peers.

To qualify for special education services a child must have a disability. The child must meet State eligibility criteria in one or more of the following areas:

- *Speech or Language Impairment
- *Visual Impairment
- *Deaf-Blindness
- *Developmental Delay (Birth to Age 7)
- *Developmental Cognitive Disability: Mild Moderate
- *Developmental Cognitive Disability: Severe-Profound
- *Physical Impairment
- *Specific Learning Disability
- *Other Health Disability
- *Traumatic Brain Injury
- *Deaf/Hard of Hearing
- *Emotional or Behavioral Disorder
- *Autism Spectrum Disorders
- *Severe Multiple Impairments

An evaluation is used to document the existence of a disability. Below average academic performance **alone** does not qualify a student for special education.

Each year, the district attempts to locate all children with handicaps through various methods such as articles in the local newspaper, radio spots, census takers and an annual Early Childhood screening program which screens children ages three (3) to five (5). The district also works very closely with the county social services, nursing agencies, local clinics, hospitals and through the Help Me Grow referral site.

Parents and students 18 years old or older have a right to inspect the student's records and can do so by making either a verbal or written request at the principal's or superintendent's office. A small fee may be charged if the parent desires copies. However, if the parent cannot pay this fee, the fee will not prevent the parent from receiving copies.

Public schools are considered government agencies and, in general, are subject to both State and Federal government record management laws. Record retention policies are decided by individual school boards that must adhere to these laws. Minnesota has a model School District General Retention Schedule, but this does not specify a set length of time for special education records. Destruction of records must be under a uniform policy adopted by the school board and approved by the Minnesota Records Disposition Panel. Parents must be notified prior to the destruction of the child's records. The special education confidential file (hard copy) is retained 5 years after which the student turns 22 years of age, including deceased students. At this time, the file will be destroyed. Parents or students who are age 18 or older will be informed of and receive the Notification of Special Education Records Retention and Destruction Policy upon entrance into special education and again at graduation/aging out of services.

Parents may file a complaint if they feel a disagreement has not been satisfactorily resolved. This complaint must be in writing and should be addressed to the principal of the building the student attends. If unresolved at this level, it should then be sent to the Superintendent. If still unresolved, it should be sent to the chairperson of the school board.

Section 504

Section 504 is a federal anti-discrimination law that protects the rights of individuals with disabilities in programs and activities that receive federal financial assistance from the U.S. Department of Education (29 USC §794,701 et seq.). Recipients of this federal financial assistance include public school districts, institutions of higher education, and other state and local education agencies. It requires a school district to provide a "free and appropriate education," (FAPE) to each qualified student with a disability who is in the recipient's jurisdiction, regardless of the nature or severity of the student's disability (34 C.F.R. § 104.33(a)). Under Section 504, FAPE provides regular or special education and related aids and services that are designed to meet the needs of individuals with disabilities as adequately as the needs of individuals without disabilities are met. 34 C.F.R. § 104.33(b)(1)(i).

NRHEG is committed to fulfilling the obligations of the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act. The district has systems in place to identify, evaluate and provide educational services to students with disabilities in a manner that is as similar to their non-disabled peers as deemed appropriate.

Parents and students have a right to request an evaluation if they suspect the student has a disability which affects their educational progress. Parents and students have a right to be part of the educational team that determines the methods of evaluation, the interpretation of the evaluation results and the development of the Individual Education Program (IEP) or 504 Plan should one be required. Parents and students who have questions regarding the process can contact the Special Education Office at 507-835-5046.

Auxiliary aids and services are available for school sponsored events. Please contact the school 72 hours prior to the event to make a request. Examples of auxiliary aids or services may include: sign language interpreter, assistive listening kit, accessible meeting location, large print or Braille materials, etc.

Important 2024-2025 School Year Environmental, Health & Safety Notices

NRHEG Schools continues to address environmental, health & safety (EHS) issues in a proactive manner. NRHEG Schools works with the Institute for Environmental Assessment (IEA) to provide safe and healthy environments for our community's youth and employees.

Asbestos--Each year, the Asbestos Hazard Emergency Response Act (AHERA) requires NRHEG Schools to provide an update on asbestos activities to building occupants.

Asbestos is a mineral fiber associated with increased levels of disease when inhaled. Properly maintained, asbestos containing materials pose no health hazard to building occupants. Asbestos is only dangerous when it is broken loose from building materials into fine, dust like fibers and inhaled.

Our asbestos management plan has been implemented as of July 9, 1989. Since that time, NRHEG Schools completes various activities to control asbestos hazards within the facilities. Periodic surveillances are conducted every six months to check for damage to the asbestos containing materials. Specially trained contractors repair damages identified. In addition to periodic surveillances, the buildings are re-inspected every three years. The purpose of the re-inspection is to have a federally certified asbestos inspector reassess the condition of the material. The most recent re-inspection was conducted April 2022, the next one is scheduled for Spring 2025.

The asbestos management plan is maintained in the district office and in the administrative offices of each building. It is available for review during school office hours.

Short-term workers (outside contractors, telephone repair workers, electricians, exterminators, etc.) shall be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance before commencing work to be given this information.

Indoor Air Quality--NRHEG Schools has developed a district-wide indoor air quality (IAQ) program designed to help ensure that the school provides a safe environment for students and staff. Each school in the district will be evaluated on an annual basis for potential indoor air quality problems.

The evaluation will include several steps. Ventilation systems will be examined to make sure they are functioning properly and providing adequate fresh air. Visual inspections will be conducted to determine the potential for mold growth. Cleaning practices will be reviewed to ensure that cleanliness is maintained and that the cleaning supplies used are safe yet effective. A portion of staff members will be interviewed annually regarding indoor air quality issues. If problems are found, they will be addressed appropriately.

Additional information about the NRHEG Schools IAQ program can be obtained by contacting Scott Schuller at (507) 417-2653.

Pest Control Materials--NRHEG Schools uses Ecolab, a licensed professional pest control service firm, for the prevention and control of rodents, insects, and other pests in and around the district's buildings. The program consists of:

1. Inspection and monitoring to determine whether pests are present and whether any treatment is needed.
2. Recommendations for maintenance and sanitation to help eliminate pests without the need for pest control measures.
3. Utilization of non-chemical measures such as traps, caulking, and screening.
4. Application of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied by a licensed, professional pest control service.

Along with pest control measures, NRHEG Schools applies herbicides and fertilizers to our grounds to control weeds and improve the quality of our grass.

Parents of students may request to receive prior notification of any application of a pest control material or herbicide. Any expenses associated with prior notification may be charged to the requesting parent.

Drinking Water Testing--NRHEG School District conducts testing in accordance with The Reduction of Lead in Drinking Water Act and the requirements of Minnesota Statutes, section 121A.335. This is conducted every five years. Any person interested in discussing the district Lead in Drinking Water program or results, please contact the district office for access to the documentation.

Radon Testing--NRHEG School District conducts radon testing according to Minnesota Department of Health "Radon Testing Plan" (Minnesota Statute 123B.571). This is conducted every five years. Any person interested in discussing the district Radon Testing program or results, please contact the district office for access to the documentation.

If you have any questions, please contact Scott Schuller (507) 417-2653.

Important Food Service Information

We're excited to share that for the upcoming 2024-25 school year, NRHEG's Food Service will continue to provide FREE meals to all students. Last year, Minnesota introduced a permanent fully funded program ensuring all students have access to free breakfast and lunch during the school day. Please note second entrees or A la carte items will incur charges.

NRHEG schools will continue to collect Applications for Education Benefits to determine eligibility for free or reduced-price meals. Eligibility for programs like the Free Summer Food Service, currently active this summer, is contingent upon free and reduced-price eligibility. Students and families may also qualify for other program fee reductions based on their eligibility.

Farm to School grant: Once again, our Food Service has been honored with the Farm to School Full Tray Grant, amounting to over \$20,000 for the 2024-25 school year, along with an equipment award of \$1,984. This grant enables us to collaborate with local farms annually, supporting the purchase of locally grown and raised foods in Minnesota.

What is Community Education?

Community Education is an opportunity for local citizens, community schools, agencies and institutions to become active partners in addressing education and community concerns. Community Education embraces these beliefs: education is a lifelong process, everyone in the community shares a responsibility for the mission of educating all members of the community and citizens have a right and responsibility to link the needs of the resources to improve their community.

Do you have a young child at home?

IS YOUR FAMILY INCLUDED ON THE SCHOOL DISTRICT CENSUS?

Has there been a birth in your family? Have you recently moved into your neighborhood? Is there a new family in your neighborhood? ISD 2168 wants all families with young children to know about our programs and activities. Being on the school census also ensures that you will receive information regarding Early Childhood Family Education classes, Early Childhood Screening, and the Panther Preschool program information. In addition, funding for our Early Childhood Programs is based on the number of children on our census.

It is important that everyone be counted! To be added to the census, please call Karla at our school office, 417-2605 or find the form on our Community Education Website at www.nrheg.k12.mn.us under the community education tab.

A navigator connecting pregnant and parenting families with young children (birth-8 years old) with services in their local communities that empower families to be healthy and safe.

Early Childhood SCREENING

Early childhood screening is mandated by the State of Minnesota for all children entering Kindergarten. The best time to have your child screened is between the ages of 3 and 4.

Are you concerned about your child's development? Help Me Grow is a group of service providers working together to help area families. They provide free early intervention referral services to help families find and coordinate resources for their children aged birth to 5 years old.

- Help Me Grow provides resources for families to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost.
- Help Me Grow is an interagency initiative of the State of Minnesota Department of Education, Department of Health and Department of Human Services. We partner with all local service agencies.

Early Childhood Screening is FREE and the earlier the BETTER! When your child turns 3, please call 507-417-2667 to schedule a screening appointment.

UPCOMING SCREENING DATES: October 14-15-16, 2024 at the United Methodist Church in Ellendale

NRHEG Panther

PRESCHOOL

NRHEG Community Education and our School Readiness Programs take pride in investing in our youngest learners and in preparing children and families for success in school.

Registration Forms will be accepted starting Monday, March 11th.

NRHEG Panther Preschool provides programming designed to help early childhood learners prepare for Kindergarten. Our program is designed for all families. Three year old students are in the New Richland Secondary School or the Ellendale Elementary School and participate in 2 day-a-week programming in the morning. Four year old students are located in the New Richland Secondary School or the Ellendale Elementary School and have options of 3 or 4 day-a-week programming in the morning or afternoon.

Why do parents choose our preschool program?

Our Students: Children who attend our preschool program enter Kindergarten with foundational skills (social-emotional & academic) and experiences that will help them to be successful in school.

Our Teachers: State licensed & highly qualified in early childhood education, our teachers are dedicated and passionate about our earliest learners.

Our Curriculum & Assessments: Our 123-Learn curriculum is Parent-Aware Approved, research based, developmentally appropriate, and aligned with the MN state learning standards. We utilize TS Gold Assessment (Parent Aware approved) throughout the year along with our KRAT (Kindergarten Readiness Assessment Tool).

Our families: Families are valued partners with the school in supporting their child's learning at home.

Focus on the Transition into school: Our programs are integrated and aligned with Bridges/Kindergarten to make that transition into school smooth and exciting for our youngest of learners.

Wrap-Around Preschool Daycare

Daycare for children ages 3-5 years old.

Open Monday - Friday 6:45am - 5:45pm.

Located in Ellendale & New Richland school building
(minimum enrollment numbers needed per site to be open)

We offer full-time, part-time, and drop in care! YOU CHOOSE your schedule & pay accordingly. There is no charge for your child while they attend preschool during the day.

NRHEG CLAY TARGET TEAM

Grades: 6-12. Available in both fall and spring, this league is for students who have a valid gun safety certificate and have an interest in shooting sports. This is the fastest growing high school sport in MN! The State Class Championship represents the largest youth trap shoot in the nation and the MSHSL State Tournament is currently the only one of its kind in the nation.

Fall League: begins in mid-Sept and goes for 6 weeks with no state shoot at the end. It's a great way for students to introduce themselves to the sport before the Spring League. Registration for the Fall League begins in August so being on the mailing list before school starts is very important. Shoots are held at the Owatonna Gun Club. Registration covers 2 rounds of targets per week for the 6-wk season, the cost of league registration, a meal at our fun shoot, and a team shirt.

Spring League: involves weekly shoots one night per week starting the first week of April and going through the MSHSL State Tournament in late June. Shoots are held at the Owatonna Gun Club. Registration covers 2 rounds of targets per week for the 10-wk season, the cost of league registration, state shoot registration, a meal at our fun shoot, & a team shirt.

All students provide their own firearms, ammunition, and safety gear. Students from neighboring school districts without a team or who are home schooled are also welcome to join us!

For more information contact Dan Sorum at 507-417-2627 or email him at dsorum@nrheg.k12.mn.us. If you wish to be placed on the team mailing list email Mr. Sorum your contact information ahead of time.

ALL FEES need to be sent to Mr. Sorum (306 Ash Ave. South, New Richland, MN 56072) with checks made out to NRHEG Community Education with Clay Target in the memo. Registration is set in January so getting on the mailing list is important for up to date information.

All concerts are from 3:30-5:00pm

Our concerts in the park series will continue for a third season of music for the New Richland area communities! Concerts are held at the New Richland City Park (114 1st St. SE) on Sunday afternoons with **free admission** (free will offerings are accepted). An additional concert is held prior to each park performance at the New Richland Care Center for its residents.

June 23rd: The Whitesidewalls - The upper Midwest's premier doo-wop, rockabilly and rock and roll band, known for 50's and 60's music will perform the songs we all remember!

July 21st: Just Friends Gospel - The well-known group of singers from the surrounding areas of New Richland, Owatonna, Wells, and Austin.

August 11th: Gold Star - Come and listen to this local band from Mankato who plays a variety of music including classic country, 50's/60's music, and classic rock!

**A food truck will also be available at each concert for your eating pleasure!
Please bring a chair &/or blankets to sit on.

This activity is made possible by the voters of Minnesota through a grant from the Prairie Lakes Regional Arts Council, thanks to a Legislation appropriation from the Arts and Cultural Heritage fund.

Thank You to the State Bank of New Richland, KEEN Bank, and Arcadia bank for their generous donations to the Summer Burst Concert Series, and a special Thanks to the City of New Richland for the utilization of their park and services for our events!

COMMUNITY EDUCATION REGISTRATION POLICIES

REGISTRATION INFORMATION. Prompt registration is encouraged as space is limited and classes may fill quickly. Additional class times may be added if needed. Classes without enough participants will be cancelled. Classes are filled on a first-come, first-served basis. Waiting lists will be formed once classes are full. Confirmations of class registrations are NOT sent. Please assume you are registered unless otherwise notified. At this time phone and email registrations cannot be accepted. Please register via mail or in person. Include fee payment with registration form, as registrations will not be taken without payment

REGISTRATION FEES. Fees for ALL activities are due at time of registration. Please register by the deadline. Make checks payable to NRHEG Community Education. Please use a separate check for each activity & put the name of the class in the memo line.

TRANSPORTATION. Parents are responsible for their student's transportation unless noted otherwise. When picking up your student from class, please be prompt, as additional supervision is not provided.

CANCELLATIONS. In the event of school cancellation (late start, early out, or all day) classes/activities scheduled during this time will be cancelled. All programs that are cancelled or partially cancelled due to the weather will be attempted to be made up at the convenience of the instructor and facility schedules. No refunds will be given on classes that are cancelled or partially cancelled due to the weather.

SCHOLARSHIP INFORMATION. Families who qualify for the free/reduced price meal program may receive a reduction in class fees. Families may call NRHEG Community Ed to determine if they meet the criteria. South Country Health Alliance (SCHA) members may take up to \$15 discount per class on most classes, limit of 5 discounted classes per year. If a class is less than \$15, the member may take the class free of charge. Members must be on SCHA at the time of registration, and through the duration of the class(es). Members must register in person I the Community Ed office and show SCHA card at the time of registration.

REFUNDS. If a class is cancelled due to low enrollment, fees are refunded or credited to your account. No refunds will be given 72 hours prior to class start date. Refunds will not be made after the first class meeting. Bus trips are non-refundable after the registration deadline and some classes may be non-refundable due to registration requirements. In the event that a class is filled or cancelled, you will receive a cancellation notice by mail, email, or telephone – your registration fee will be refunded.

PHOTOGRAPHY DATA. Candid photos of participants in class or an activity may be used in NRHEG media and publications. You may decline authorization by contacting the Community Education Office at 417-2667
