

Dear NRHEG Elementary Families,

Welcome Back to School! It has been a very busy and exciting time here at NRHEG Elementary as we begin the 2018-2019 school year.

On behalf of our staff here at the elementary, we are looking forward to an exciting partnership with you to ensure that our children reach their highest potential. We do acknowledge that in order for our students to be successful, they will need support from both your home and the school. Your involvement in their education will make a great difference in your child's education. As partners in this journey, we share the responsibility for their success and we will do our best to carry out our responsibilities. To support our efforts here, we ask that you guide and also support your child's learning by ensuring that they:

- *Attend school daily and arrive on time, ready for the day's learning experience.
- *Complete the homework and family activities given by their teacher.
- *Read DAILY to develop a love for reading and to improve literacy skills.
- *Share school experiences with you so that you are aware of their day.
- *Inform you if they need additional help or support with a task or subject.
- *Know that you expect them to do their best to be successful students.

A reminder that Monday, October 8, will be a two-hour late start. Our teachers will be receiving introductory training on bullying.

	PREVENT & BUILD AN INCLUSIVE SCHOOL CULTURE. The school joins with parents to prevent student bullying and cyberbullying through building a culture where every student is accepted for who they are.	1
	INTERRUPT AND REFER TO A SOLUTION COACH®. All teachers and staff interrupt student disrespect and aggression and refer ongoing incidents of bullying or harassment to a Solution Coach.	2
	HOLD A SOLUTION TEAM AND FOLLOW UP. The Solution Coach convenes a Solution Team of students to bring the bullying to an end and follows up with students stuck in the role of bully or target.	3
	IMPLEMENT AN EMPATHY-BUILDING ACTION PLAN. If a pattern of intolerance, harassment or prejudice is apparent across the entire class or grade, the Solution Coach implements a plan to create a culture of acceptance.	4
