*2016-17 Report# 48*

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

- 2. Board Work Session:** The Board work session is planned for Wednesday, July 12, beginning at 5:30 pm in the Board Room. A light dinner will be provided. The agenda will include:
  - Superintendent work goals for 2018-2019
  - Revisions to superintendent evaluation tool
  - Introduction to the MSBA School Board Evaluation tool
  - Strategic Plan review
- 3. Office Closed:** The District office will be closed Monday, July 3, and Tuesday, July 4.
- 4. Solar Projects:** Karla Christopherson and I met with a representative from Geronimo Energy regarding their community solar garden project. Geronimo is one of five companies that have contacted us within the last three months regarding contracting for solar energy. A next step would be for the Building and Grounds Committee to examine selected projects to see if it would be something of interest to us. More information to come!
