*2017-18 Report# 31*

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

**2. Facility Task Force Update** – Board members are to review the list sent today and forward additional parent and community names to Dale for consideration. It would be helpful to make a note if a contact has already been made with an individual regarding consideration for serving on the Task Force. A finalized draft will be sent back to Board members in order to narrow names to the final group. Principals are working on staff member names as well as parents. A reminder that two Board members also need to be appointed to the Task Force. I will plan to work with Rick Schultz to finalize the committee once all input has been received by Board members.

**3. Community Night Out** – The Annual PTO Community Night Out is scheduled for March 17 at Wedgewood Cove in Albert Lea.
