25 May 2018

2017-18 Report# 44

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Information – Communication -- Correspondence

1. News From Around the State and Beyond

Politics: Gov. Dayton vetoes tax, spending bills

Study: Higher standards might not raise scores

Does school design influence safety?

2. **Years of Service and Retirement Recognition** – Please save the date of **Wednesday, May 30, at 2:30 pm** in the Secondary School Commons where all staff will gather to celebrate those achieving significant milestones in their service to the school district and to education. We will also be recognizing staff members who are retiring from the school district.
3. **Graduation Plans** – Travis Routh and Karen Flatness will be assisting with diplomas at commencement on Sunday, June 3, at 2:00 pm.
4. **Finance Committee to Meet** – The Finance Committee will meet at 5:30 pm on Wednesday, June 6, beginning at 5:30 in the Board Room. The agenda includes:
- Review Budget Development Calendar for 2018-2019 and 2019-2020
 - Review 2018-2019 Preliminary Budget
 - Examine Board Goal for Superintendent which is to: *share progress made in integrating the finance committee into budget development process with the purpose of annually planning and managing revenue and expenditure budgets that meet or exceed the fund balance goal (Strategic Plan Finance Focus Area - Objective 1C).*
 - Examine/identify assumptions for 3 year forecast model
5. **Facility Planning Task Force Update** – Meeting #3 of the Task Force is planned for Wednesday, May 30 beginning at 6:30 pm at the Elementary School. The focus for the evening will be tours of both buildings. We are surveying the Task Force members if there is an interest in having transportation provided back-and-forth between the two schools. We do know the date conflicts with some member schedules including some plans due to the 30th being the last school day for students. However, it was the best date out of the other days within the last two weeks of May that we believed we needed to complete meeting #3. Meeting #4 is planned for Monday, June 25 at 6:30 pm at the Secondary School. Board members are invited to attend on the 30th for the tours if interested.
