NRHEG PTO. Prairie Fire Theatre has been a long-standing tradition at NRHEG and we are delighted to bring this back to our school again this spring. A student performance is scheduled for Friday, May 3, at 1:00 p.m. A public evening performance will be held at 7:00 p.m. that same evening.

Prairie Fire Children's Theatre (or PFCT) is a professional touring theatre company based in Barrett, Minnesota and has been bringing a theatrical experience to communities across the upper Midwest since 1987. Prairie Fire tours a variety of original musical adaptations of classic tales.

Throughout the entire year, Prairie Fire Children's Theatre sends two professional Actors/Directors to a community for a one-week residency. Local children fill the roles, and PFCT provides everything needed to do the show. After a week of rehearsing, the cast will perform for the public.

6. On Tuesday, Jerry Ibberson, *Emergency Management Director for the City of Ellendale* met with me to review our emergency evacuation plans and our site locations in the event that we have a tornado.
