2015-16 Report# 43

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Thank you to Rick Schultz for representing the Board in presenting the diplomas to our graduates. Thank you's also go to Dave Bunn and Deb Bently for their detailed planning of the event and all the activities leading up to today's commencement ceremony.
3. **Policy Committee to Meet:** The Policy Committee (JOAnn Maloney, Michele Moxon, Rick Schultz) is set to meet at 6:30 pm on Tuesday, June 7, in the Board Room. The committee will be reviewing a number of revised policies from MSBA to recommend to the Board for approval. Sue Kulseth had forwarded the policies to Board members a few weeks ago. Please let Sue know if you are unable to access the policies.
4. **Building and Grounds Committee:** The Building and Grounds Committee (Mike Moen, Travis Routh, Rick Schultz) will meet on Monday, June 13, at 6:30 pm in the Board Room. The committee will address a number of items including our lease with the City of NR for the athletic fields, our Long Term Maintenance Plan, parking lot maintenance projects for this summer, a flooring update on the commons at the Secondary School, bidding services i.e. snow removal, and other items.
5. **Facility Use Requests:** We have received two facility requests I want to make you aware of including a request by Vista Covenant Church to use the stadium and the green space by the stadium to hold a gathering in October. They hope to have a "tailgating" picnic prior to an event that will be held in the stadium. The second request is more of an inquiry about using our facilities for a community fundraising event. The group inquired if the District would waive the policy of not allowing alcohol on school grounds so that alcohol could be sold at the event. I have responded that I would not support a waiver of the policy.
